

**BALL STATE  
UNIVERSITY**

Dear BSU Faculty, Professional, Staff and Service Employees:

As you are aware, an analysis is underway to determine which option is in the best interest of the University and our employees regarding PERF/TRF. Options being considered are:

- 1. No change**
- 2. Freeze enrollment to current employees only, new employees would enroll in the APP, or**
- 3. Withdraw all employees currently in PERF/TRF and transition into the university APP retirement plan in 2020.**

As a current participant in the State's PERF/TRF (INPRS) retirement plan we seek to provide you with information and provide you with an opportunity to ask questions and share your feedback. You are invited to attend one of our upcoming information sessions.
